

CS-181 Spring 2014 Practical 1

David Wihl

January 30, 2014

Hi there

Congratulations! You received a grade of 100% on your latest examination.

You owe me \$10.00 and it's about time you sent it to me!

I like T_EX! Once you get the hang of it, T_EX is really easy to use — You just have to master the T_EXnical aspects... **or else** try something **else** ...
